Complète la grille

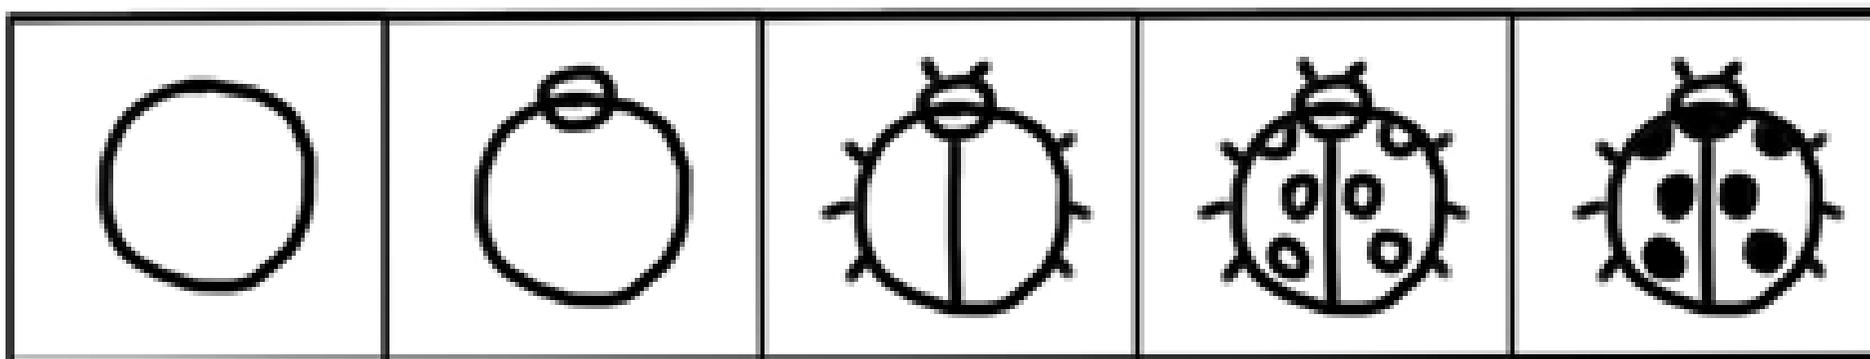

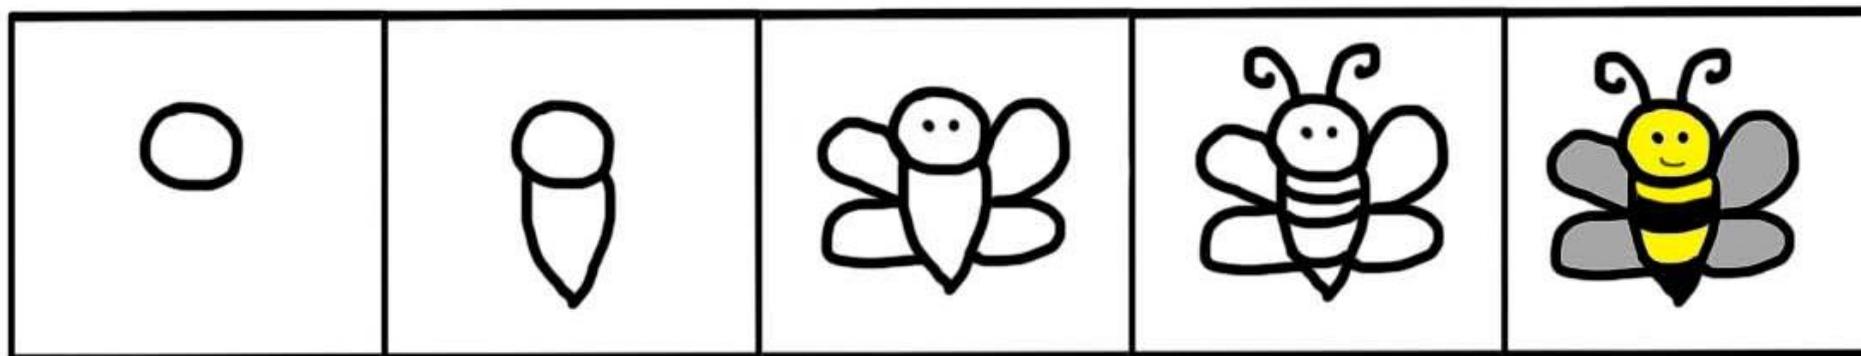

The crossword puzzle grid consists of empty cells. The starting points for words are indicated by insect illustrations and arrows:

- A dragonfly (Libellule) is positioned above a vertical column of 8 cells, with a downward arrow pointing to the top cell.
- A butterfly (Papillon) is positioned above a vertical column of 8 cells, with a downward arrow pointing to the top cell.
- A bee (Abeille) is positioned to the left of a horizontal row of 8 cells, with a downward arrow pointing to the first cell.
- A spider (Araignée) is positioned to the left of a horizontal row of 8 cells, with a rightward arrow pointing to the second cell.
- An ant (Fourmi) is positioned to the left of a horizontal row of 8 cells, with a rightward arrow pointing to the first cell.

Défis GS Dessin
