

Géométrie

Les solides

1

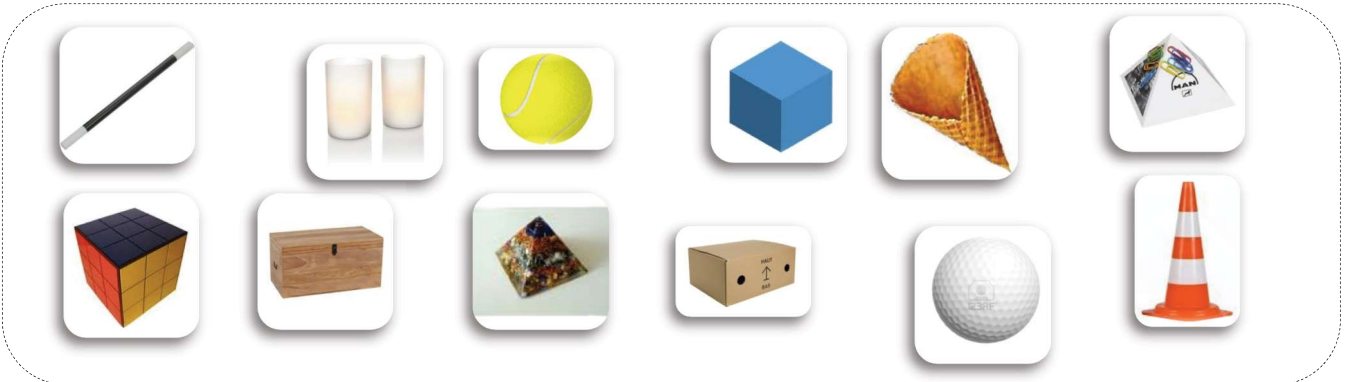

Je découpe puis je classe ces objets en fonction de leur forme.

cube	paré	cylindre	pyramide	sphère	cône

2

J'entoure, dans le tableau, les objets qui peuvent rouler.

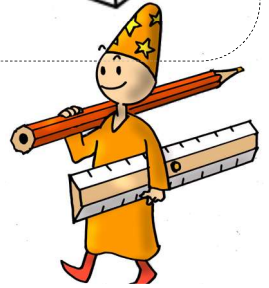

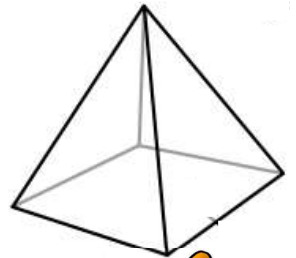

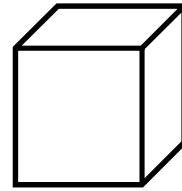

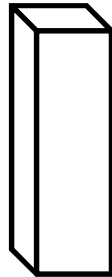

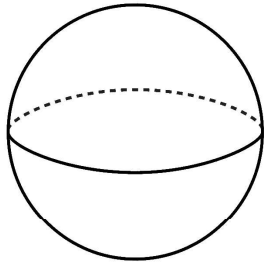

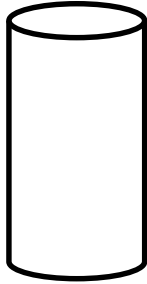

Géométrie

Fiche 4

Les solides

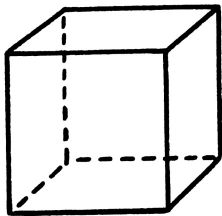

1

Je barre les solides qui ne roulent pas.

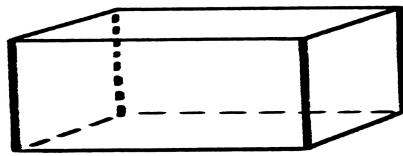

2

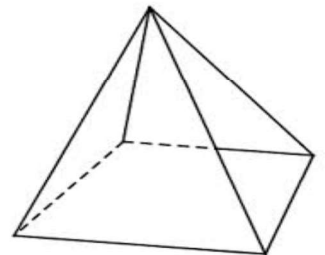

Je compte le nombre de faces de chaque solide

_____ faces

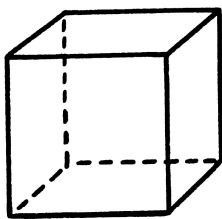

_____ faces

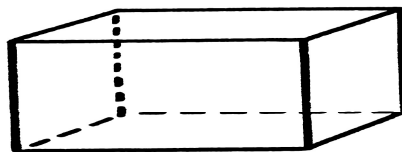

_____ faces

3

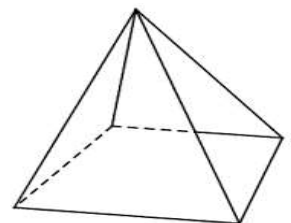

Je marque les sommets en bleu et je compte leur nombre pour chaque solide.

_____ sommets

_____ sommets

_____ sommets
