

The weather was clear yesterday.

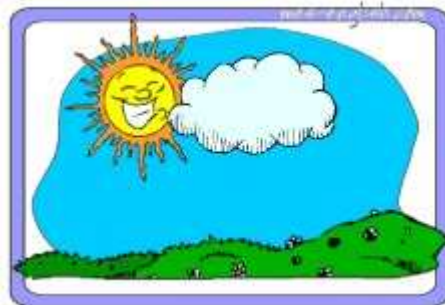

It was bright and perfect !

It was warm and even hot.

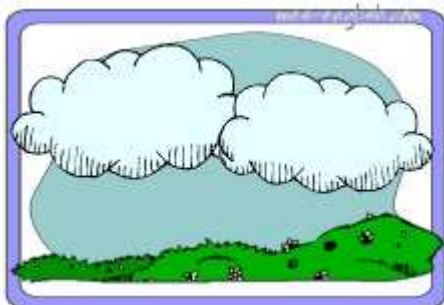

It was sunny. The sun was shining.

It was a little cloudy in the evening.

The night was foggy. Fog is strange.

It is cloudy. Clouds look like sheep.

It is rainy ! I'm singing in the rain !

It's windy ! The wind is blowing.

It's stormy. I hate storms !

There is lightning... I can see it !

And I can hear thunder !

Tomorrow, it will be cool or cold.

It will be snowy. The snow is white.

There will be a tornado ! Oh, no !
